

Anglepoise

Type 75 Lamp with Desk Clamp

Oberfläche

- negro
- gris
- plata
- blanco

Technical details

País de origen	 Reino Unido
Fabricante	Anglepoise
Diseñador	Kenneth Grange
año	2004
Índice de protección / Protección IP	IP20
Contenido del paquete	LED 230 Volt
entrada de tensión	110 - 240 Volt
Proyección en cm	71
material	aluminio
longitud del cable	250 cm
Base / Portalámparas	E27
conectividad	en cabezal de lámpara
Alimentación (máx. Watt)	20 Watt
LED	incluyendo
Diamètre de l'ombre	15 cm
Altura de pantalla	19 cm
reemplazo de la bombilla:	en el sitio mismo
Dimensions	H 52 cm

Descripción

The Anglepoise Type 75 Lamp with Desk Clamp can be attached to all horizontal surfaces with a thickness of 0.7 cm to 6 cm. This clamp light has movable lamp arms, which can be readjusted at any time by the use of tension spring technology. This technology also ensures that the arms remain in any position. Like the arms, the lamp shade is made of aluminum and can be swivelled as well as rotated. The clamp lamp is available in alpine white and jet black. It is regulated with an on/off switch on the lamp shade. Compact fluorescent lamps or LED retrofit are suitable as light sources. A table base in the matching surface is included in the scope of delivery.
