

Stilnovo

Diphy P3

Technical details

País de origen	 Italia
Fabricante	Stilnovo
Diseñador	Mirco Crosatto
año	2017
Índice de protección / Protección IP	IP20
Contenido del paquete entrada de tensión	LED 230 - 240 Volt
material	aluminio, plancha, polimetilmetacrilato
Ajuste de altura	altura determinada
Atenuación	DALI regulable
LED	incluyendo
Indice de reproducción cromatica	90
Temperatura de color en grados Kelvin	3.000 blanco cálido
El rendimiento del sistema	3 x 14 Watt
Flujo total luminoso en lm	5.730
distribución de la luz	directa e indirectamente
altura total	200 cm
Dimensions	B 68 cm L 84 cm

Descripción

The Stilnovo Diphy P3 is a pendant lamp with three diffusers. The three diffusers hang from a round canopy. Through small openings in the canopy, the cables of each lamp can be individually adjusted in their position in order to change the arrangement of the diffusers. Each diffuser is illuminated by an LED in a light rod, emitting the light both upwards and downwards. When the light is switched off, the diffusers appear transparent. When the light is switched on, a dot pattern engraved by laser is visible on the diffusers. For this effect the OptiLight technology was used in the production of the diffusers. The dot pattern is based on the petals of the Asian flower *Diphylleya Grayi*, after which the lamp series was named. The pendant lamp can be dimmed on site and set in height if required. With an optionally available Casambi module, the light can be dimmed via smartphone.
