### Descripción

The Stilnovo Opti-Line is a linear pendant lamp, a minimal, evolution of the iconic O-Line, with laser-engraved PMMA diffuser and aluminum body with wrinkle white or polished aluminium finish. Thanks to the characteristic texture of OptiLight Technology™, the suspension becomes transparent when the light is off. Opti-Line is a highly functional pendant lamp; the clean, sharp light of the topLED circuitry is perfectly integrated into a high-quality structure. This lamp can be dimmed on site with trailing edge phase dimmer, with an optional Casambi module it can also be dimmed via Smartphone App. The pendant lamp is also available as a DALI dimmable version on request.
