Contenido del paquete	LED
entrada de tensión	230 - 240 Volt
Proyección en cm	56
material	aluminio, La fibra de carbono, madera, metal
Color del cable	negro
Potencia en vatios	8,2 W
LED	incluyendo
Indice de reproduccion cromatica	90
El flujo luminoso en lm	913
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensions	H 41 cm

Descripción

The Marset Ginger A wall lamp has a straight, extended arm with a reach of 55.5 cm. This arm can be swivelled to the side. The lamp shade has a diameter of 32 cm and is available in two surfaces: oak or wenge. Inside the shade is always white. The LED, which is mounted underneath the shade, radiates its light to the inside of the shade, from where the light is reflected into the room. This wall lamp is available in two versions: with a plug lead or with a connection for wall mounting. The version with plug-in lead is regulated via a stepless dimmer on the lead. The wall-mounted version can be dimmed by the customer. The lamp is also available as a recessed version on request.
