

Bover Dome 60

Leistung in Watt

- 12,5
- 25

Technical details

País de la Fabricación	España
fabricante	Bover
diseñador	Benedetta Tagliabue
año	2015
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
Diámetro en cm	60
material	aluminio, madera, plancha
ajuste de altura	altura ajustable
Atenuación	dimmable con control de fase inversa y con reguladores de control de fase
LED	incluyendo
Indice de reproducción cromática	90
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	14 cm
Color de la pantalla	madera
reemplazo de la bombilla:	en el fabricante / en la fábrica
altura total	90 - 300 cm
Dimensions	H 38 cm Ø 60 cm

Descripción

The lamp shade of the Bover Dome 60 LED pendant lamp in beech veneer has a diameter of 60 cm and is 38 cm high. The shade of this lamp is made of more than 170 small and large wood fragments. The light is emitted directly downwards but also diffusely, through the gaps in the mesh of the lampshade, and simultaneously distributed to the sides. The Bover Dome 60 is available with a white suspension. This lamp can be infinitely adjusted in height between 90 cm and 300 cm in one easy step. By means of a phase dimmer (TRIAC), the Bover 60 LED pendant lamp can be dimmed on site. The lamp is available with a 12.5 watt (Version Dome 60/01) LED or a 25 watt (Version Dome 60/02) LED. Both LED versions have a colour temperature of 2,700 Kelvin (extra warm white).
