El flujo luminoso en lm	477
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
Dimensiones del dosel	20 cm
Dimensions	H 48 cm Ø 30 cm

Descripción

This Brokis Knot Uovo pendant lamp has a smoke grey, mouth-blown glass with an integrated metal reflector. The reflector is hand finished during the manufacturing process. It is available in black matt, brass, stainless steel brushed and copper. The canopy of the lamp is supplied in the matching surface to the reflector. As a special feature, a natural-coloured cable runs through the Knot pendant lights, which is tied in a knot at the bottom. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source. On request, the pendant lamp is available as a not dimmable version. In addition, the Knot Uovo is offered with a smoke brown, transparent or opal glass.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
