### Descripción

The Betec Clarus picture light has a rotating light head, making it particularly suitable for illuminating and highlighting pictures or photos. This lamp has a length of 26 cm and a projection of 11 cm (bracket type 11). The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting. This lamp is ideal for picture, menu and music desk lighting.

The Betec Clarus is available in the following surfaces: glossy brass, matt brass, chrome, glossy nickel, matt nickel, burnished, matt black, glossy gold and matt gold. The scope of delivery includes a mounting set with which the light can easily be attached directly to a picture, photo or on the wall. The picture light is supplied as standard with a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED features very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. The Clarus picture light is also available in ten other lengths and with a projection of 17 cm or 22 cm.
