

Steng

LEDy 103cm

Oberfläche

- níquel brillante
- níquel satinado
- negro

Farbtemperatur in Kelvin

- 2.700 extra blanco cálido
- 3.000 blanco cálido

Technical details

País de la Fabricación	 Alemania
fabricante	Steng
diseñador	Peter Steng
diseñador 2	Andreas Steng
año	2012
protección	IP20
Volumen de suministro	LED
entrada de tensión	230 - 240 Volt
material	metal
ajuste de altura	altura determinada
Atenuación	integrada Dimmer pulsador
Potencia en vatios	19 W
LED	incluyendo
Indice de reproduccion cromatica	90
Dimensiones del dosel	Longitud 23 cm, anchura 4 cm
altura total	400 cm
Dimensions	B 3,5 cm L 103 cm

Descripción

The energy-efficient LED pendant lamp Steng LEDy 103cm is characterised by volume in the material, simplicity in the design and high functionality. This elegant pendant lamp is milled from solid material on precision machines and the metal surface is then refined to a high standard. The lamp is available in the surfaces black matt, satin nickel or glossy nickel. The black matt surface has a fine structure.

This LEDy is 103 cm long. The lamp is also offered by Steng with a length of 143 cm. The lamp profile is 3.5 cm wide and 0.9 cm high. The elongated pendant lamp has a maximum total height of 400 cm, its cables can be shortened if necessary. It has an integrated mini push button dimmer next to the suspension, which is barely visible at the bottom of the lamp housing. With this touch dimmer, the lamp can be dimmed continuously. The integrated light source is an LED, which is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. On request, the LEDy is also available with 2,300 Kelvin extra warm white, 4,000 Kelvin white or 6,500 Kelvin cool white.
