Description

The K-meral CECIL pendant lamp is offered with one-to-four lamps. CECIL is the tulip in the K-meral portfolio. Each lampshade is made of porcelain. Clear the shape of the lampshades - soft, wide and warm the light cone. They emit a direct, neutral light on the surface to be illuminated and a warm diffuse light in the room. The circular canopy of the single-lamp light and the elongated ceiling housings of the multi-flames lamps are made of smoothed aluminum and have integrated transformers.

All CECIL pendant lights are on site dimmable. By simply pushing the coaxial cable into the ceiling housing, the lights can be individually adjusted in height. Supplied with 35 watt lamps. The CECIL lamps are offered in a simple, straight-lined design. Elsewhere, the CECIL pendant lamps are also available with "TIWI", a beautiful accessory above the lampshade, which gives the lamp a very special touch.
