<b>Flux lumineux total en LM</b>	3.060
<b>répartition de la lumière</b>	directement
<b>Dimensions</b>	H 0,8 cm   B 30 cm   L 96 cm

### Description

The Byok Piani 96 Lungo Downlight is one of the pendant lights in the Piani Lungo family. It has a length of 96 cm and a width of 30 cm. The height of the lamp body is 0.8 cm. The light body emits its light directly downwards. The pendant lamp is made of aluminum and is available in the following surfaces: polished aluminum, matt aluminum or matt black.

The canopy is 38 cm long, 6.8 cm wide and 12 cm high. The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The dimming range is between 0 and 100 percent. In addition, the lamp is also available on request as a version that can be dimmed by smartphone/tablet via Bluetooth.
