### Description

The Keilbach doormat Bravo Grande measures 147 × 87 cm and is only 0.9 cm thick. With these dimensions, it is perfectly suited for the commercial sector. It also lies on very smooth surfaces without slipping. Its stable PVC back protects it against moisture from below. At the top the mat consists of dense, UV-resistant and hard-wearing polyamide fibres.

The doormat is machine washable at 30° and suitable for tumble drying. With a height of 0.9 cm, it is so flat that it fits easily under most doors. Bravo Grande looks like a high-quality carpet, but can absorb large amounts of dirt and moisture. This doormat is available in seven colours: black, brown, dark grey, green, red, sand and warm grey.
