### Description

The Byok Piani Punto Q12 Downlight is a pendant lamp which with its 120 mm side length fits perfectly into small spaces. The square lamp body is machined from solid aluminum and polished by hand. It is available in diverse surfaces. The Piani Punto Q12 Downlight is held by four fine copper braid ropes, which serve as a power supply as well. The lamp is height determinable. An efficient LED is included.

The integrated LED is on site dimmable with trailing edge phase dimmer. In addition, the lamp is also available on request as a version that can be dimmed via smartphone / tablet using Bluetooth.
