Description

The Rituals Parete 1 by the manufacturer Foscarini is the larger of two wall lights with just one screen. Also two wall lights Doppia with two shades are offered on request. This model is like the other lamps of this series also made of white satin blown glass which is formed into an oval shape.

The Rituals Parete 1 is 34 cm high with a diameter of 24 cm. The interesting thing about this wall lamp is: It can be mounted with the shade hanging down as well with an upright shade on the wall bracket. Including wall mount this light protrudes 26 cm from the wall. The holder is made of painted metal with white epoxy lacquer.

As light source either a high-voltage halogen lamp with a maximum of 70 watts of power can be used or a compact fluorescent lamp with a maximum of 15 watts of power.
