| Les performances du système | 5 x 20 Watt (max) |
| nombre de lumières | 5 |
| Dimensions | H 75 cm |

Description

The Serien Lighting Poppy Wall/ Ceiling has five arms made of textile-coated aluminum in the colours beige or black. The lamp shades made of mouth-blown glass are available in the colours ceramic, ruby red or black-violet. The slats of the lamp shades are made of bimetal, so they expand due to the heat about 2 minutes after the lamp is switched on. This creates the appearance of opening petals.
