## Description

This Serien Lighting Curling Suspension pendant lamp is mounted to the ceiling with stainless steel cables. When mounted, its total height is individually settable between 15 cm and 195 cm. With this lamp, the light is emitted directly downwards and softly diffused all around. This Curling pendant lamp is available with a lamp shade in three sizes: Small with a diameter of 18 cm, Medium with 25 cm and Large with 33 cm.

The Curling Suspension Rope LED clear/ conical opal is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable versions are also available on request. The Small and Medium lamps are also available with a dim to warm function on request. Here, the dimming behaviour of classic incandescent lamps, which is perceived as pleasant, is imitated.
