Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	110 - 240 Volt
matériel	Le verre opale, métal
atténuation	gradateur cordon avec E27
base/version	E27
Pied de lampe dimensions	longueur 29, largeur 29 cm
Les performances du système	2 x 60 Watt (max.)
Dimensions	H 172 cm

Description

The Oluce Alba 383 is a floor lamp with a total height of 172 cm. A lamp arm with a lamp shade is attached to each of the two sides of the lamp rod. On one side of the rod, the shade is at the top of the arm, on the other side at the bottom of the arm. The shades are made of mouth-blown, polished opal glass. The lamp is offered in satin brass or bronze anodised versions. The lamp rod and arms each have the same surface. The lamp emits its light glare-free into the room. A dimmer is integrated in the supply cable. E27 mains voltage halogen lamps or LED retrofit lamps can be used as light sources.
