Technical details

Pays de fabrication	 Allemagne
Fabricant	Nyta
Créateur	jjoo design
année	2013
Indice de protection / Indice IP	IP20
Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	110 - 240 Volt
Diamètre en cm	18
matériel	aluminium, Textile
longueur de câble	300 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
Socle / Douille	E14
Puissance (max. Watt)	46 Watt
canopée Dimensions	12 cm, hauteur 9 cm
répartition de la lumière	directement
Dimensions	H 16 cm Ø 18 cm

Description

The Nyta Tilt S is a swivelling and rotating pendant lamp. Its lamp shade is made of matt lacquered aluminum and has a diameter of 18 cm as well as a height of 16 cm. It can be rotated 360 degrees and tilted 110 degrees along the elongated opening on the shade. This allows the light of the pendant lamp to be redirected again and again. The shade is available in white, grey and black. For all surfaces, the canopy is in the matching surface to the shade. From the inside, the shade is always white. The cable is offered in six colours: white, black, red, grey, light blue and light green. A 300 cm long cable is included, on request the lamp is also available with a 500 cm long cable. The cable can be shortened if necessary. The pendant light can be operated with LED retrofit or halogen lamps. The Tilt S has already won many design awards.
