Description

The Marset Pleat Box 13 LED is a pendant lamp with a ceramic shade. The shade has a diameter of 11.5 cm and a height of 26 cm. The lamp is available in various finishes from the outside and covered with white or gold enamel from the inside. This pendant lamp is available in a total of ten different combinations for the outside and inside of the shade. The canopy is made of ceramic and has a diameter of 13.6 cm and a height of 8.7 cm. An LED module with a colour temperature of 2,700 Kelvin extra warm white is included as a light source. The LED module is dimmable on site. The cable can be shortened if required. The versions with white inside have a white cable, the other versions with gold inside have a black cable. The Pleat Box is also available as a halogen version or in other sizes as a halogen or LED version.
