### Description

The Luceplan Costanza replacement shade can be used for all lamps of the series. It has a diameter of 40 cm and a height of 28 cm. The shade can be used not only as a spare part for the Costanza lamps, but also to give an existing lamp a new colour accent. As shade colours are offered: white, shaded stone, primary red, smart yellow, edgy pink, mystic white, petroleum blue, soft skin, sea green, concrete grey and liquorice black.
