

Vistosi

Bolle SP G transparent E27

Technical details

Pays de fabrication	 Italie
Fabricant	Vistosi
Créateur	Barbara Maggiolo
année	2003
Indice de protection / Indice IP	IP20
Contenu de la livraison	Leuchtmittel/Bulb
aptitude de tension	110 - 240 Volt
Diamètre en cm	25
matériel	crystal verre, métal
surface	transparent
longueur de câble	200 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
Socle / Douille	E27
Puissance (max. Watt)	77 Watt
Puissance en Watt	5,4 W
Version	E27
Dimensions	H 24 cm Ø 25 cm

Description

The Vistosi Bolle SP G pendant lamp has a lamp shade with a diameter of 25 cm and a height of 24 cm. The shade is made of mouth-blown crystal glass. During processing, air bubbles are enclosed in the glass to give the lamp a special texture. This texture multiplies the reflections on the surface. The light is emitted by the lamp both directly downwards and into the room. The Bolle SP G is available in crystal transparent and white. The metal parts of both versions are satin nickel-plated. Halogen E27 and LED versions are offered for this pendant lamp. The halogen E27 version can be operated with halogen lamps or LED retrofits. The LED version has an integrated LED module with a colour temperature of 2,700 Kelvin extra warm white.
