Description

This Holtkötter 6263 table lamp has a narrow lamp shade with a diameter of 15 cm at its widest point. Its shade height is 28 cm. The lamp is also available with a shade diameter of 30 cm (6263 30cm). The light from this lamp is emitted directly downwards, into the room and upwards. The lamp shade is made of high-quality chintz and offered in the colours champagne, sand or white. The light rod and base of the 6263 from Holtkötter are made of metal. The table lamp is offered in matt brass and matt nickel finishes. An on/off switch is integrated on the supply line. Both halogen lamps and LED retrofit can be used as illuminants.
