Description

The Vistosi Riflesso SP 2 is a pendant lamp with a shade made of mouth-blown crystal glass. The lamp shade has a height of 34 cm and a diameter of 28 cm. The crystal glass is handcrafted and available in transparent or smoked crystal. Metal elements are attached to the bottom and top of the shade. These are offered in gold satin brass or satin copper finishes. The canopy is supplied in the same surface as the metal elements each. An LED with a colour temperature of 2,700 Kelvin extra warm white is included as a light source. On request, the pendant lamp is also available with a colour temperature of 3,000 Kelvin warm white. The light is emitted into the room by the Riflesso SP 2 pendant lamp without glare. Its cable with a maximum length of 200 cm can be shortened if required. With the supplied ceiling hook, the pendant lamp can also be mounted independently of the power outlet.
