Description

This Brokis Balloons Medium is a table lamp with a smoke brown mouth-blown glass. It is also available with a smoke grey or transparent glass. The Balloons Medium has a height of 61 cm and a diameter of 43 cm and is therefore one of the medium-sized table lamps of this lamp family. A metal reflector is integrated into the glass, which is processed by hand during production. The reflector is available in black, white, lemon yellow, orange, chrome, brass, copper and chrome brushed. The Balloons Medium smoke brown is delivered with a black cable, on request it is also offered with the cable colours white, dark grey, light grey, red and yellow. The lamp has an integrated cable dimmer and an E27 socket, which can be operated with halogen lamps or LEDs.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
