## Description

The floor lamp Danona P by the Spanish manufacturer Bover has a textile lamp shade and a metal base and rod covered with a nickel alloy. Optionally, the lamp rod can be supplied wrapped in dark leather. On the black, 200 cm long cable of this floor lamp is an on/off switch integrated. The lamp shade of the Bover Danona P has a diameter of 40 cm and is available in the shade colours white, cream and natural white. The white and cream shades are made of ribbed wrap-around pleated fabric, the natural white shade is made of cotton. The total height of this floor lamp is 163 cm. The base of this floor lamp has a diameter of 30 cm. The light of the lamp is emitted directly downwards and upwards through a diffuser made of methacrylate. The light also spreads to the sides through the translucent fabric of the lamp shade. The Bover Danona P has E27 sockets and can be used with LED retrofit lamps.
