Description

The Foscarini Rituals Parete Semi 1 has a mouth-blown, white satin glass. In an elaborate process, homogeneous horizontal grooves are engraved into the glass. When the lamp is switched on, these grooves lead to light reflections on the glass. Through the glass the light is emitted glare-free in all directions. This creates a halo light effect around the lamp on the wall. The lamp can be mounted on the wall with the wall bracket facing upwards or downwards. The Rituals Parete Semi 1 wall bracket is available in white, gold and graphite. The E27 socket of the wall lamp can be operated with halogen lamps, LED retrofits or compact fluorescent lamps. The wall lamp is also available as MyLight lamp, which can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet.
