LED	y compris
Indice de rendu des couleurs	90
Flux lumineux en lm	600
La température de couleur en Kelvin	2.700 extra blanc chaud
tête de luminaire masse	7 cm
remplacement des ampoules :	sur le site meme
hauteur totale	max. 61 cm
Dimensions	H 14 cm B 58 cm

Description

The Less'n'more Kippling Athene Book Shelf KI-A consists of a bookcase with an integrated Athene lamp. The shelf is made of wood with a matt white coating and has a height of 14 cm and a width of 58 cm. The depth of the shelf is 15 cm. The integrated Athene lamp has a flexible lamp arm that can be bent and rotated as desired. At maximum extension of the lamp arm, the lamp including book shelf has a height of 61 cm. The lamp arm is available in the following colours: aluminum, textile black, white, anthracite, blue, green, red and brown. On request, the flexible lamp arm is also offered in other colours.

The lamp head and rod of the Athene recessed lamp are made of aluminum. They are available in the surfaces aluminum and black. A push button is integrated into the lamp rod with which the lamp can be switched and dimmed. The beam angle of the light can be adjusted continuously between 25 and 100 degrees by turning the glass lens out of or into the lamp head. With a larger beam angle, the light is distributed over a larger area.

The Kippling Athene Book Shelf KI-A is supplied with a black supply cable with a length of 200 cm. In addition to the conventional power supply, it can also be operated via a USB connection. Less'n'more also offers the Kippling bookcase with a Zeus recessed lamp or a Mimix recessed spotlight.
