

Bopp

Float

Oberfläche

- aluminium
- noir
- taupe
- blanc

Technical details

Pays de fabrication	 Allemagne
Fabricant	Bopp
Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Diamètre en cm	40
matériel	aluminium
réglage de la hauteur	réglable en hauteur
atténuation	controle gestuel
Puissance en Watt	39 W
LED	y compris
Indice de rendu des couleurs	>90
La température de couleur en Kelvin	2300 - 5000 réglable
Flux lumineux total en LM	4.160 - 5.000
hauteur totale	40 - 150 cm
Dimensions	Ø 40 cm

Description

The Bopp Float is a ring-shaped pendant lamp with a diameter of 40 cm. The ring of the Bopp Float LED pendant lamp has a height of 3 cm and is available in the surfaces aluminium, taupe, black and white. The rectangular canopy of the lamp is 40 cm long, 6.5 cm wide and 5.5 cm deep. The canopy of the Bopp Float is in the same colour as the ring. By pulling or lifting the lamp, the total height of the lamp can be continuously adjusted between 40 cm and 150 cm by means of a lift system. This pendant lamp made of aluminium emits light upwards and downwards at the same time. The light can be controlled touch-free via gesture control, so that not only separate switching and dimming of the up/down light is possible, but also the light colour can be dimmed from 2,300 Kelvin warm white to 5,000 Kelvin cool white.
