Description

This Bomma Soap chandelier multicolour consists of three Soap Large and two Small pendant lamps on a round canopy. The lamps have different glass colours. This chandelier consists of:

- - 2 x Soap Large purple
- - 1 x Soap Large green
- - 1 x Soap Small purple
- - 1 x Soap Small green
- - 1 x round canopy.

On request, the Soap lamps can also be combined in any combination of the glass colours gold, silver, blue, purple, green, matt and clear. The white coated canopy has a diameter of 56 cm and is 6.2 cm high. Each glass is individually made of crystal glass and mouth-blown without a mould, so it is unique and the shape, size and colour intensity can vary. The glasses shimmer and glitter because of their metal coating, especially when switched on. Each lamp is operated with a replaceable E27 LED retrofit bulb. The cables of the Soap chandelier have a maximum length of 250 cm and can be shortened if necessary.
