Description

This Bomma Soap Mini chandelier multicolour consists of three Soap Mini pendant lamps on a round canopy. The lamps have different glass colours in this chandelier. Two versions are offered here. On request, any combination of the glass colours gold, silver, blue, matt and clear can be put together with up to 26 lamps.

The white coated canopy is 6.2 cm high and has a diameter of 40 cm. Each glass is individually made of crystal glass and mouth-blown without a mould, so it is unique and the shape, size and colour intensity can vary. The glasses are metal-coated and therefore glitter, especially when switched on. The suspension is in anthracite for all lamps, on request it is also available in brushed gold. The cables with a maximum length of 250 cm can be shortened if necessary. Each lamp is operated with a replaceable G4 LED retrofit.

These versions are available:

- Version 1: 2 x clear, 1 x frosted
- Version 2: 1 x blue, 1 x silver, 1 x gold
