Technical details

Pays de fabrication	 Allemagne
fabricant	Mawa
concepteur	Marco Schölzel
concepteur 2	Martin Wallroth
année	2020
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium
couleur de câble	noir
longueur de câble	347 cm
atténuation	Variateur tactile sur pied de lampe
Puissance en Watt	27,5 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	2.400
La température de couleur en Kelvin	2.700 extra blanc chaud
Diamètre de l'ombre	24 cm
Pied de lampe dimensions	18 cm
remplacement des ampoules :	chez le fabricant / a l'usine
Dimensions	H 33 cm

Description

The Mawa Tadeo 2 table lamp emits its light directly and glare-free downwards. It is made of powder-coated aluminum and is available in the surfaces black matt, red, beige, blue or grey. On request, the lamp is also available in other RAL colours. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white.

The Tadeo 2 can be switched and continuously dimmed via a push button dimmer on the base of the lamp. By briefly pressing the push button dimmer once, the lamp is switched on or off. The light can be dimmed continuously by pressing and holding the push button dimmer. The last selected light intensity is saved by a memory function and automatically set again the next time the lamp is switched on. In addition to this table lamp, there is also available the Tadeo 1 from the series, which emits light both upwards and downwards.
