Technical details

Pays de fabrication	 Allemagne
Fabricant	Holtkoetter
Créateur	Holtkötter
année	2024
Matériel	Aluminium
Puissance en watts	71 W
LED #	inclus
Indice de rendu des couleurs (IRC / Ra)	>90
Flux lumineux en lm	8800
Température de couleur en kelvins	2.200 - 2.850
Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
atténuation	Touchez gradateurs sur le bâton de lumière
Pied de lampe dimensions	27 cm
tête de luminaire masse	31 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 184 cm

Description

The Holtkötter Naxos floor lamp made of aluminium is 184 cm high and has a swivelling and tilting lamp head with a diameter of 31 cm. The round base with a diameter of 27.2 cm ensures that the lamp is very stable. The flat lamp head with integrated diffuser and side slit can be rotated and swivelled and directs its light upwards, downwards or to the side as required. The light can be infinitely adjusted using a touch dimmer attached to the centre of the lamp rod. When dimmed, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin warm white to 2,200 Kelvin warm white) thanks to dim-to-warm technology. Holtkötter Naxos is available in the following surface textures: Matt aluminium, white, black/anodised brass, bronze, black, anodised brass and platinum.
