Description

The Holtkötter Liv pendant lamp has a suspension milled from solid material and a lampshade made of pleated, opal white glass. This lampshade with a diameter of 34 cm is made of mouth-blown opal white glass ensures even and diffuse light distribution. This height-adjustable lamp can be flexibly adapted to rooms of different heights during installation. The Liv pendant lamp is equipped with an E27 socket and can be operated with LED retrofit lamps with a maximum output of 23 watts. There is a choice of three different textures: matt aluminium, platinum and black.
