Omschrijving

The K-meral MELA Floor Lamp combines a lampshade out of porcelain and a lamp stand with a cover out of stainless steel or antiqued mahogany. The lamp stand is 19 cm in diameter and 2.5 cm high with the stainless steel version while it is 20 cm in diameter and 6.4 cm high with the mahogany type. The K-meral MELA Floor Lamp is made of natural material and its design is characterised by its clarity and the width of its blaze. This luminaire creates a homely feeling in every surrounding. The K-meral MELA Floor Lamp radiates a direct neutral light onto the ceiling and it scatters a warm diffuse light into its surrounding. Please note that this luminaire is switchable and dimmable by touching the metal parts. The transformer of the MELA Floor Lamp is attached to the supply cable.
