### Omschrijving

The K-meral MELA pendant lamp is available in one or four flames. Their lampshades are made of porcelain in the classic chalice form. MELA gives a feeling of home in every environment. The lamp screens emit a direct, neutral light onto the surface to be illuminated and a warm, diffuse light in the surrounding area. The elongated ceiling housings of the multi-flames lamps are made of polished aluminum. The transformers are accommodated in these ceiling housings.

All MELA pendant lights are dimmable on site. By simply pushing the coaxial cable into the ceiling housing, the lamps can be individually adjusted in height. Supplied with 35 watt lamps.
