Omschrijving

The Florian Schulz Onos 55 Center Pull is equipped with a lamp shade as well as an integrated anti-glare ring out of metal. The light intensity of the pendant lamp can be controlled with the help of a suitable dimmer to be provided for on site. Florian Schulz offers the Onos 55 Center Pull with the surfaces being either polished and lacquered brass, matt brushed and lacquered brass, chrome-plated brass, nickel-plated brass, brass burnished lacquered, brass dark burnished lacquered, copper-plated brass, brass nickel-plated lacquered, brass polished unlacquered, brass copper-plated matt brushed lacquered or matt brushed nickel-plated brass.

This suspension lamp can be adjusted in height by the existing center pull. This allows the lampshade an individual suspension height. The textile cable of the lamp has a length of 300 cm and is black. On request, the lamp is also available with a longer cable or with a cable in brown, gold or silver.
