base/versie	E27
schakelbaarheid	op armatuur hoofd
Vermogen (max. Watt)	205 Watt
Schaduw diameter	70 cm
schermhoogte	49 cm
lichtverdeling	licht in de kamer
Dimensions	H 221 cm

Omschrijving

The Luceplan Grande Costanza Open Air is an outdoor light with protection class IP44 (splash-proof). This light is offered with various mounting options. One version is equipped with a square lamp base, which is placed on the ground. The floor lamp is also available with a mounting plate for fixed mounting. The mounting plate can be installed e.g. on a floor assembly or a foundation. The third variant is offered with a ground spike with which the light is drilled into the soil and is also transportable if required.

An on / off switch is located on the lamp head. The shade with a diameter of 70 cm is offered in ivory off white, rust-coloured and green. The frame is available in aluminum or rust-coloured. The base, the mounting plate as well as the ground spike are offered in the mounting surfaces aluminum or rust-coloured.

A white lampshade is available as an accessory. This is, in contrast to the other shades, only suitable for indoor use.
