## Escale

### CL2 replacement glass cube

#### Farbe

- transparant
- wit
- groen
- blauw
- rood
- geel

### Omschrijving

The Escale CL2 spare glass cubes are spare parts for the CL2 pendant lamp. There are replacement glass cubes in the following colours: transparent, yellow, red, blue, green and white (matt).

The glass cubes can be used not only as spare parts, but also to spice up a lamp with its own colour combinations of the cubes.
