## Omschrijving

The Decor Walther Form 34 LED is a wall lamp with a width of 34 cm. It is 5 cm high and 9 cm deep. This lamp is made of metal and is available in chrome, satin nickel, matt black and matt white. It radiates its light simultaneously upwards and downwards. A diffuser reduces glare and distributes the light evenly. With IP44 protection, the wall lamp is protected against splash water on all sides and solid foreign bodies with a diameter of at least 1 mm, making it suitable for bathrooms. An LED is integrated as a light source which can be dimmed on site with a trailing edge phase dimmer.
