Omschrijving

The outdoor pendant lamp Fora S of the Spanish manufacturer Bover has a lampshade made of a weatherproof, synthetic basketwork, which is handmade. This pendant lamp in the rattan look has a black cable and is variably adjustable in height. The lampshade of the Bover Fora S has a diameter of 50 cm and a height of 30 cm. The lamp with a beige lampshade has a white suspension, the lamp with a brown lampshade has a brown suspension. The Bover Fora S is weatherproof and protected against UV radiation thanks to the IP66 protection class.

The Bover Fora S pendant lamp is available as E27 and LED version. The E27 lamp has two E27 sockets and can be operated with replaceable LED retrofits. The E27 lamp is continuously adjustable in height from 116 cm to 237 cm upwards and downwards. The LED lamp has a powerful, integrated LED with a colour temperature of 2,700 Kelvin extra warm white. The height of the LED lamp can be adjusted continuously upwards and downwards from 60 cm to 184 cm. The height adjustment of the E27 lamp is done via the cables, for the LED lamp via the canopy.
