

Vistosi

Cloth AP G

Schirmfarbe

- gemetalliseerd
- wit

Technical details

Land van herkomst	 Italië
Fabrikant	Vistosi
Ontwerper	Romani Sacconi Architetti Associati
jaar	2009
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	Leuchtmiddel/Bulb
voltage geschiktheid	110 - 240 Volt
Diepte in cm	16
materiaal	kristalglas, metaal
dimmen	dimbaar op locatie
Voet / fitting	E27
Vermogen (max. Watt)	77 Watt
Dimensions	H 25 cm B 37 cm

Omschrijving

The Vistosi Cloth AP G wall lamp has a lamp shade that looks like pleated fabric. In fact, it is made of mouth-blown crystal glass. The lamp shade is available in two colours: white matt and metallized. When switched off, the metallized shade appears metallic due to its chrome coating. As soon as the lamp is switched on, the colour changes to dark beige. While the white version emits light through the shade and upwards, the metallized version only emits light onto the wall. The Cloth AP G can be mounted upwards or downwards with the shade open, depending on where the light is to be emitted. The wall lamp can be operated with halogen lamps or LED retrofit lamps.
