Technical details

Land van herkomst	 Duitsland
Fabrikant	less'n'more
Ontwerper	less'n'more
Beschermingsklasse / IP-bescherming	IP43
Leveringsomvang	LED
voltage geschiktheid	230 - 240 Volt
materiaal	aluminium, glas
stralingshoek	15 - 75 Graad
Wattage	4,2 W
LED	inclusief
Kleurweergave-index	90
Lichtstroom in lm	450
Kleurtemperatuur in Kelvin	2.700 extra warm wit
luifel Dimensions	7 cm
lampkop massa	3 cm
bulb vervangen:	ter plaatse zelf
Dimensions	L max. 61 cm

Omschrijving

The Less n more Zeus Wall / Ceiling Light Z-BDL2 is installed onto a wall or ceiling. The surface-mounted lamp has a canopy / wall bracket made of aluminum with a diameter of 6.5 cm. The flexible lamp arm can be stretched and bent as required so that it can be realigned again and again. At maximum extension of the arm, the lamp has a length of 61 cm. The flexible lamp arm is available in these colours: aluminum, textile black, white, anthracite, blue, green, red and brown. As illuminant, an LED with a colour temperature of 2,700 Kelvin extra warm white is integrated into the lamp head.

The lamp head and canopy are offered in the surfaces aluminum and black. The beam angle of the light can be adjusted continuously between 15 and 75 degrees. To do this, simply turn the glass lens out of or into the lamp head. With a larger beam angle, the light is distributed over a larger area.

The Zeus Wall / Ceiling Light Z-BDL2 is offered on site dimmable with a trailing edge phase dimmer or with an integrated push button dimmer on the canopy. The version with push button dimmer can be switched and dimmed via the push button. On request, this lamp is also available with a supply cable and safety plug for direct connection to a power socket. In addition, the flexible lamp arm is also offered in other colours on request. Besides this wall and ceiling lamp, Less'n'more also offers a smaller lamp with a maximum length of 30 cm. A canopy mounting plate is offered as an accessory, with which the lamp can be mounted over a flush-mounted socket.
