Omschrijving

The Bomma Phenomena Floor Large Ball is 160 cm high and has a spherical glass with a diameter of 55 cm. Each glass is made individually from mouth-blown crystal glass and is therefore unique, so that the colour shade and intensity can vary. In a complex manufacturing process, clear crystal glass is mixed with coloured glass, which makes the glass colour particularly durable. This Phenomena floor lamp is offered in the glass colours flamingo pink and smoke grey. Its lamp rod and base are available in the surfaces gold or silver polished. The E27 socket can be operated with LED retrofits. Bomma also offers the smaller Phenomena Floor Capsule with an oval glass.
