## Omschrijving

This Bomma Soap chandelier consists of four Soap Large and three Small pendant lamps, which are suspended together from a round canopy. In this chandelier, all lamps have the same glass colour. The available glass colours are: gold, silver, blue, matt and clear. The white coated canopy has a diameter of 62 cm and a height of 6.2 cm. Each glass is made of crystal glass and mouth-blown without a mould, so it is unique and the shape, size and colour intensity can vary. Especially when switched on, the glasses glitter and shimmer thanks to their metal coating. Each lamp has an E27 socket that is operated with a replaceable LED retrofit.

The cables of this chandelier have a maximum length of 250 cm and can be shortened if necessary. Chandeliers with up to eleven Soap Small and / or Large lamps in any glass colour are also offered on request.
