| **Dimensions** | H 9 cm |

## Omschrijving

The Mawa Etna can be used as a wall or ceiling lamp. The lamp made of steel is 9 cm high and has a diameter of 16.5 cm. Its E27 socket can be operated with various globe halogen lamps or LED retrofit bulbs. Depending on whether frosted or transparent bulbs are used, the effect of the lamp and its light distribution changes. The Etna wall and ceiling lamp is available in the surfaces white matt (RAL 9016), black matt (RAL 9005), DB702 grey-metallic, copper, chrome glossy, or brass. The surfaces white, black and grey-metallic are powder-coated. **The light source is exclusive**.
