## Omschrijving

The Bomma Blimp Pendant Small is a pendant lamp with a mouth-blown glass. The lamp has a diameter of 30 cm and a height of 41 cm including the suspension. Each glass is made of crystal glass and is mouth-blown in individual production, so that small bubbles or irregularities can occur in the glass. The Blimp pendant lamp is offered in the glass colours clear or amber and has a suspension made of black matt powdered metal. The cable with a maximum length of 250 cm can be shortened if necessary, special lengths for the cable are also available on request. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white and can be dimmed on site.
