Technical details

Land van herkomst	 Spanje
Fabrikant	Arturo_Alvarez
Ontwerper	Arturo Alvarez
jaar	2021
Beschermingsklasse / IP-bescherming	IP64
Leveringsomvang	Leuchtmiddel/Bulb
voltage geschiktheid	230 - 240 Volt
Diameter in cm	19
materiaal	roestvrij staal, staal
kabel kleur	zwart
Hoogte-instelling	hoogte bepaalbaar
dimmen	dimbaar op locatie
Voet / fitting	E27
Vermogen (max. Watt)	15 Watt
luifel Dimensions	12 cm
totale hoogte	150 cm
Dimensions	H 45 cm Ø 19 cm

Omschrijving

The Arturo Alvarez Gea GE04-EXT has a protection rating of IP64 and is therefore suitable as an outdoor lamp. With this protection class, it is dustproof and protected against splashing water from all sides. Its lamp shade is 45 cm high and has a diameter of 19 cm. It consists of a lacquered stainless steel metal mesh and is available in white and grey. On request, the lamp is also available in taupe and beige. This stainless steel metal mesh is a translucent and flexible mesh made of metal, which is shaped into the desired form and structure during production. The black, waterproof neoprene cable of this pendant light can be shortened if necessary. The lamp can be operated with an E27 LED retrofit.

The Gea collection takes its name from the primordial goddess, Mother Earth. The stylised lights that make it up resemble upright female figures that defy verticality and are wrapped in a ribbed veil of lacquered stainless steel mesh. The Gea pendant lamp designed by Arturo Alvarez emits a soft, enveloping light that is homogeneously distributed over the entire structure.
