

B.Lux

Aspen C17A

Version

- E27
- LED

Technical details

Land van fabricage	 Spanje
fabrikant	B.Lux
ontwerper	Werner Aisslinger
jaar	2014
bescherming	IP20
Omvang van de levering	Leuchtmittel/Bulb
voltage geschiktheid	110 - 240 Volt
Diameter in cm	17
materiaal	aluminium
oppervlak	grijs
dimmen	dimbaar op locatie
Dimensions	H 22 cm Ø 17 cm

Omschrijving

The B.Lux Aspen C17A ceiling lamp has a ceiling mounting with a grid, through which some light is also emitted laterally and upwards. This creates a light effect on the ceiling around the lamp. The lamp offered here has a grey surface.

The Aspen C17A is available in the versions E27 and LED. The E27 version has an E27 socket and can be operated with replaceable LEDs (retrofit). The LED version is operated with an integrated, power-efficient LED. The integrated LED has an output of 16.6 watts and a colour temperature of 2,700 Kelvin extra warm white. Other surfaces for the ceiling lamp are offered on request (see configurator PDF). Besides this lamp, the Aspen C17B with a diameter of 17 cm and a height of 34 cm is also available from B.Lux.
