tworzywo	metal, szkło
długość kabla	158 cm
ściemnianie	snur opornik
pedestał/wersja	E27
Moc (maks. W)	60 Watt
Dimensions	H 61 cm Ø 43 cm

Opis

The Brokis Balloons Medium transparent is a table lamp with a height of 61 cm and a diameter of 43 cm. This makes it one of the medium-sized lamps in the series. In this version it has a transparent, mouth-blown glass. It is also available with a smoke grey or smoke brown glass. A metal reflector is integrated inside the glass. This reflector is handcrafted and available in black, white, orange, lemon yellow, copper, brass, chrome and chrome brushed. Depending on the choice of reflector, a white, black, light or dark grey cable is supplied. On request, the lamp is also available in all reflector versions with a cable in white, black, light grey, dark grey, red and yellow. A dimmer is integrated on the cable. The Balloons Medium transparent table lamp has an E27 socket, which can be operated with both halogen lamps and LEDs.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
