<b>Strumień świetlny w lm</b>	773
<b>Temperatura barwowa w stopniach Kelvina</b>	2.700 extra biała ciepła
<b>Dimensions</b>	H 15 cm   Ø 30 cm

### Opis

The Brokis Knot Small Disco smoke grey is a pendant lamp with a mouth blown glass. The lamp contains a hand-finished metal reflector which is available in brushed stainless steel, copper, black matt and brass. The canopy has the same colour as the reflector. The Knot Small Disco has a diameter of 30 cm and a height of 14.5 cm. The special feature of the Knot lights is the cable running through the light, which is tied into a knot at the lower end of the light. An LED is integrated as the light source. On request, the pendant lamp is available as a not dimmable version. The Knot Small Disco is also available with a transparent, smoke brown or opal glass. The larger Knot Disco is also offered from this series.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
