

Knapstein

SVEA-L40

Version

- złoto
- nikiel
- brąz
- czarny

Technical details

Kraj produkcji	 Niemcy
producent	Knapstein
projektant	Knapstein
rok	2019
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
Średnica w cm	40
tworzywo	metal
regulacja wysokości	z regulacją wysokości
ściemnianie	kontrola gestów
Moc w watach	33 W
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	4.522
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	30 cm
wymiana żarówek:	u producenta / w fabryce
wysokość całkowita	70 - 170 cm
Dimensions	H 3,4 cm Ø 40 cm

Opis

The Knapstein SVEA-L40 pendant lamp has a diameter of 40 cm. The lamp emits light both upwards and downwards. The uplight and downlight can be switched separately and dimmed continuously. The sensor area for gesture control is located on the top and bottom of the lamp. The light is switched on or off by a wiping hand movement in the sensor area. To dim the lamp continuously, hold your hand in the sensor area for a longer period of time. A memory function saves the luminous intensity last set and automatically selects it the next time it is switched on.

The SVEA-L40 is available in matt nickel, black, bronze effect and gold-coloured matt lacquered finishes. By pulling or lifting the lamp, the total height of the lamp can be adjusted between 70 cm and 170 cm. The pendant lamp by Knapstein is also suitable for suspension from sloping ceilings. No screws are visible on the ceiling canopy, as the canopy is held in place by magnets. The pendant light is available with a diameter of 60 cm. The series also offers pendant lamps with height determination by means of stop sleeves on the ceiling canopy. These are available with a diameter of 40 cm, 60 cm or 80 cm. The SVEA is also offered in other lengths or finishes on request.
